

This is what an Approved ENY Recertification should look like

Under Status you should see **State / National App...** in **Green** and under Notes “Badge Received” even though you may not have received it yet.

Until it is Green your recertification is not approved

It may take a week or longer after you complete all your requirements to show as approved as mine took almost two weeks. But if you think there is problem, please check with Koko Veltchev at kokoussf@gmail.com or 646-643-4128.
